Can you help someone  
if they're in need?

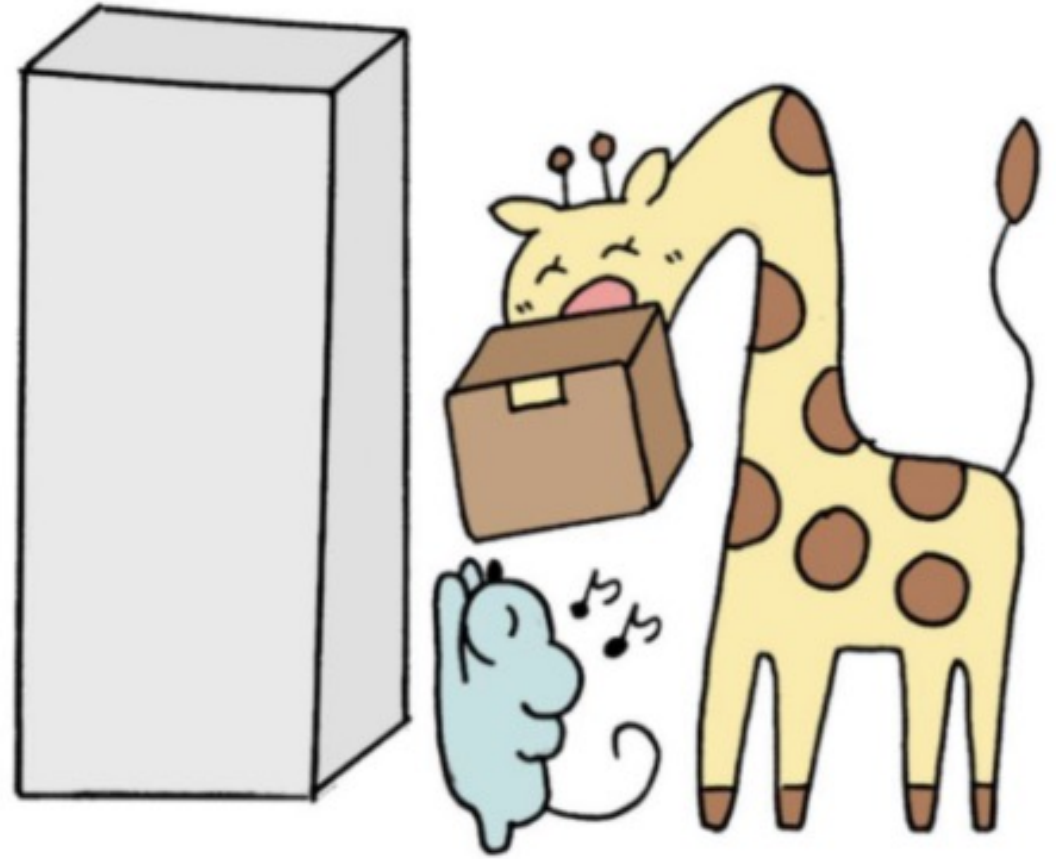

There may be people in need of  
help even when you don't notice.

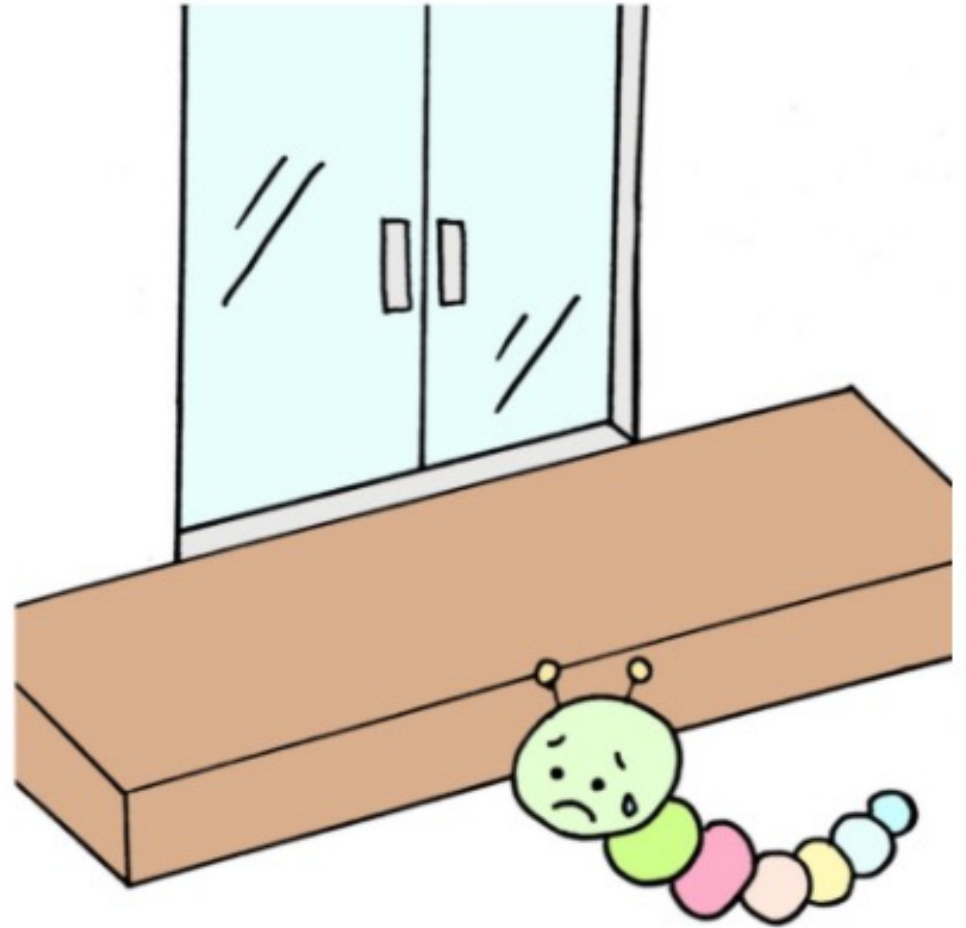

This is Mouse.  
He's too short to reach  
his bag at the top of the box.  
What would you do?

There came Giraffe.  
He saw Mouse in need of help  
and got him his bag.  
Mouse felt happy.

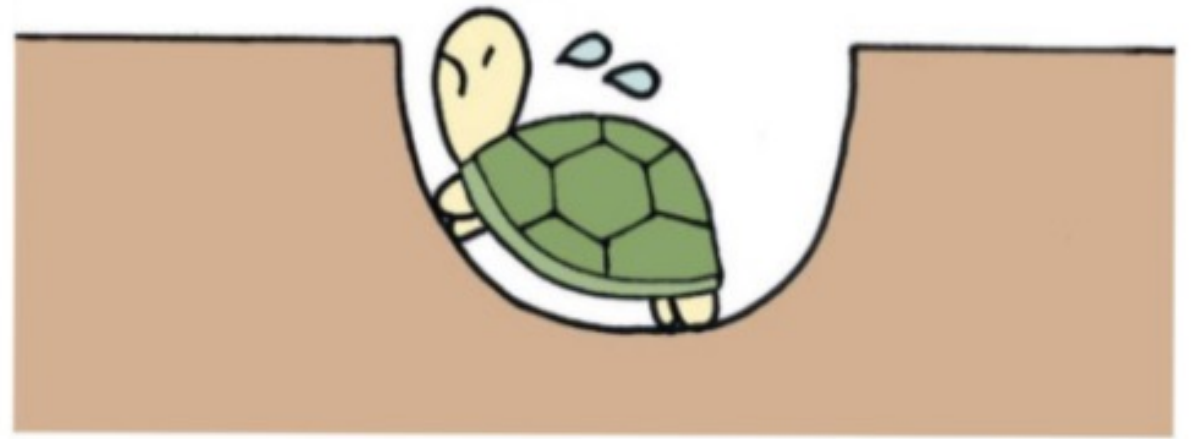

Worm wants to get into the store,  
but he can't go up the stairs.  
What would you do for him?

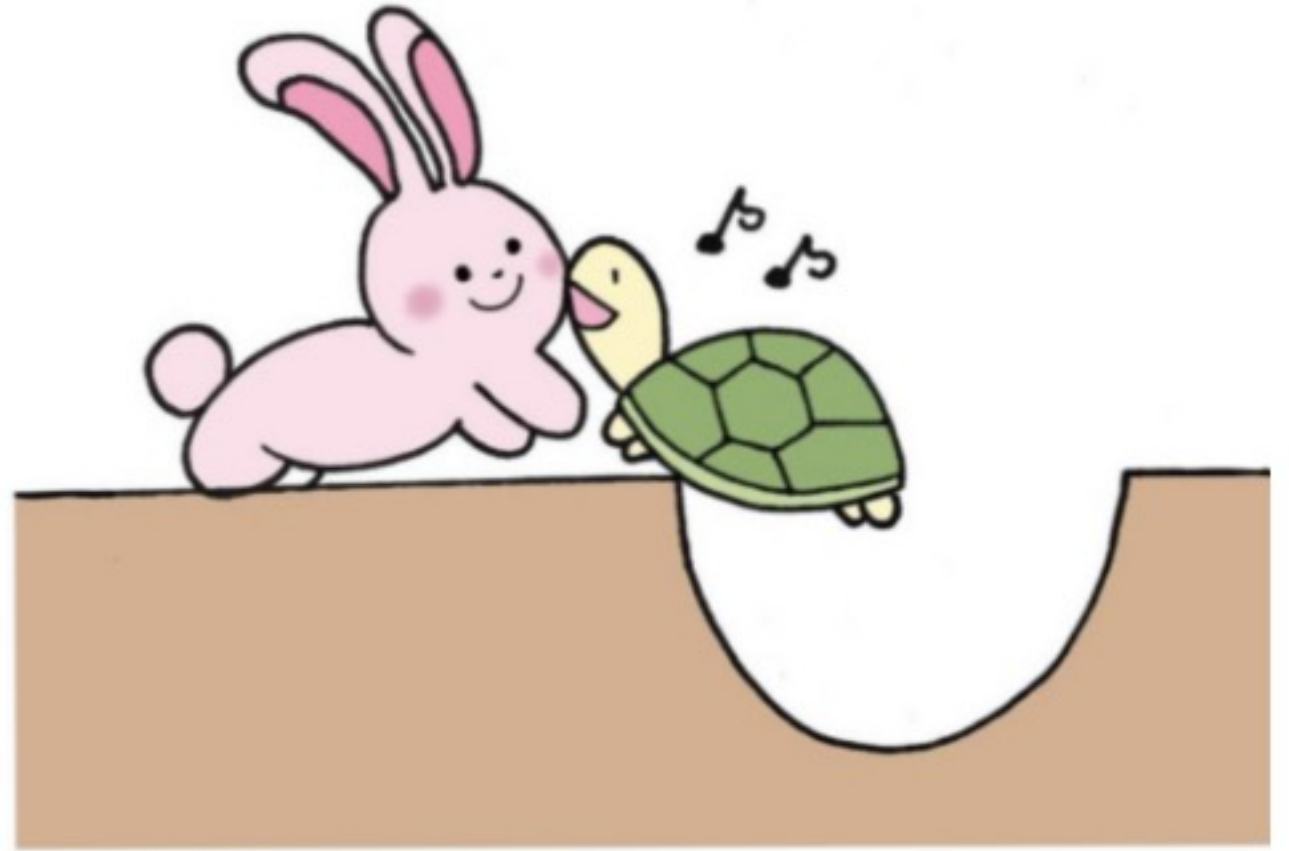

Gorilla saw Worm in need of help  
and brought a ramp.  
Worm made it inside the store.  
It made Worm smile.

When Turtle was taking a walk,  
he fell in the hole.  
What would you do?

There came Rabbit.  
She talked to Turtle kindly  
and helped him out of it.  
They got along very well.

Sakura, who uses a wheelchair,  
dropped a ball.  
What would you do for her?

Taro saw her in need of help  
and picked up the ball for her.  
Sakura said, "Thank you for  
picking up the ball!"

Wheelchair users  
sometimes need help.  
What would you do when you see  
someone in need of help?  
Let's be kind and help  
one another.
